UNEMPLOYMENT END IS IN SIGHT

Missing Girl

Miss Jane Wright, above, prominent Corpus Christi girl, has been missing since October 30 and is the object of a statewide search. No word has been received since she supposedly left for Houston with newly acquired friends to visit a sister there.

EVERY IDLE PERSON TO WORK GOVERNMENT PLAN

The Federal Government is endeavoring to put every idle hand to work beginning at once. This means all persons who have no occupation at the present time whether they be destitute or whether they be in better circumstances.

To that end the United States Government has allotted \$20,000,000 to Texas, part of which will come to Milam county. This new plan will be known as the Texas Civil Works Administration, and Rev. J. P. Love of Cameron has been appointed administrator.

He has opened a department at the Cameron State Bank Building for registration of all persons over 16 years of age who desire some sort of work. This includes women as well as men and as soon as it is humanly possible all of these people will be put to work.

Those who have not registered on the re-employment service or on the former work relief plan are urged to register at once under the Texas Civil Works Administration. Registration for Beat 4 will be conducted at Rockdale, where a sub-station has been set up. Registrations for Beats 5 and 8 will register at Thordale on Fridays and Saturdays only. Beats 1, 2, 3, 6 and 7 will come to Cameron to register. It is hoped that within the next few days there will not be an idle person in Milam County.

It is not the intention of the Government to take people away from any work which they now have. In other words any one who has a steady job in an office or a store or who has work to do on the farm is not eligible to register on the Texas Civil Works Plan at the present time.

LAST HOME GAME FOR YOEMEN FRIDAY

Football fans will have their last opportunity of seeing the Yoemen in action on the home ground when the Bryan Eagles come to Cameron for a game Friday night.

So far Bryan has been defeated by Brenham and still has a chance for the District Championship.

According to scoring record Bryan and Cameron are about evenly matched and the game should be an interesting one. The game will be called promptly at 8 o'clock and season tickets are good for admission.

Mr. and Mrs. Fred Perlitz spent the week end in Fort Worth with relatives.

A huge program for providing jobs for unemployed men was placed before federal administrator J. P. Love, Monday in communications from the Texas Relief Commission at Austin.

Immediate action was requested due to the insistence of President Roosevelt that 4,000,000 men be put to work in the United States for the winter months.

The new program called the Civil Works Program, made it necessary that many immediate changes be made in the process of funds and relief administration and accordingly the offices of J. P. Love were the storm center of preparation.

Under the new plan it became necessary to call for and secure physical examination of more than 2000 men in the county in preparation for work on Thursday. It was requested that men be put to work Wednesday. This was impossible.

Approval of projects was secured at a special session of the Commissioners' Court Tuesday and these speedily taken to Austin for final review.

When Thursday morning dawned it found Mr. Love in complete mastery of the urgent situation, the most stupendous since war days. Men were going back to work at jobs that stretch ahead through winter months and into spring to connect up with farm demand periods.

BURLINGTON YOUTH ACCIDENTALLY KILLED

J. T. Maleik, 16, Rosebud high school student, was fatally shot with his own gun while hunting on Little Pond creek near Burlington at about 3 o'clock Sunday afternoon. The youth was with a party of relatives when the fatal accident occurred. He dropped his gun through a railroad trestle across the creek and it discharged as it struck a tie.

The full charge from the shot gun struck the youth under his left arm, and he died before medical aid reached him. In the party with whom he was hunting was his father, William Maleik; his uncle, Tom Maleik; Henry Schiller and a Mr. Pomakl. Funeral services were held Monday.

Colored Gridsters To Play Waco Saturday

Many hair-raising thrills and exciting moments are expected and promised Saturday, November 18 at the Yoe High Athletic Field, when Coach Milton Sanders and his furious Bulldogs introduce an entirely new brand of football to the many spectators who will attend one of the best fought grid battles between Cameron Colored High and their new rivals, the Moore High Lions of Waco, Texas.

The Lions are said to be a very serious threat to upset Cameron Hi from their wonderful throne, since their records show that they have beat several outstanding teams this season.

MRS. S. F. ELY BURIED IN GAUSE SUNDAY

Mrs. S. F. Ely, 85, died at her home in Gause at two o'clock Sunday morning.

She had been a resident of Gause for many years. Funeral services were held Sunday afternoon with last rites at the Baptist church in Gause, conducted by Rev. Bullock, pastor at Heerne. Interment was made in Gause cemetery.

Mrs. Ely is survived by a daughter Mrs. R. L. Green, and Mrs. E. A. Rogers of Marlin.

"Accident" Now Called Murder

MISS MAE CATRELL

TOY G. WOOLLEY

Toy G. Woolley's wife, Dorothy, bought him a shotgun for a Christmas present, gave it to him in advance so he could go duck hunting. Woolley went duck hunting, returned, and while cleaning his gun, "accidentally" shot his wife through the heart. But officers, delving into the unusual Dallas case, found that Woolley had been married before to Mae Catrell, Texas University student from Comanche county, Texas, that he had gone "duck hunting" in Austin, visiting her. Now Woolley is charged with murdering his second wife, the former Miss Dorothy Joyner of Cameron, Texas.

DR. W.M. BROOKS HEADS RED CROSS ROLL CALL

Renewal of the drive to complete Milam County's Red Cross enrollment for 1933 by Thanksgiving day was made here Wednesday by the appointment of Dr. W. M. Brook as roll call chairman for the county.

Dr. Brook went into immediate action to establish contact and stimulate workers over the county. The Roll Call began on Armistice Day.

L. Van Perkins, originally named roll call chairman, was unable to complete the job due to his duties as State Commander of the American Legion.

Rev. J. P. Love, Chairman for the Milam County Chapter, was well pleased with efforts thus far and feels fortunate in securing the co-operation of Dr. Brook as roll call director.

L. D. BAKER BURIED IN RICE CEMETERY

Funeral services for Lee Davidson Baker, 65, was held Sunday afternoon at Rice School House, with interment in Rice cemetery.

Mr. Baker was born October 22, 1865 in Arkansas and had made his home here for about 35 years. He had never married and kept house with a single sister. He had not been in good health for some time and grew worse suddenly and lived only a short time. He died Saturday, November 11.

Deceased is survived by his sister, Miss Lilly Baker with whom he made his home and a married sister, Mrs. George Pratt and one brother, Ben Baker. He was a member of the Baptist church. He had followed farming. He had many friends to mourn his going.

ADMINISTRATOR PLANS UNEMPLOYMENT RELIEF

Hundreds of unemployed men, many of them on direct relief, were being registered Wednesday at the office of federal administrator J. P. Love, and in all sections of the county as a preliminary to work.

Immediate compliance with the President's program to put four million men to work during this winter, was asked by the Relief Commission at Austin.

On Thursday morning many unemployed men were put to work at wages adequate for a livelihood and under short hour schedules.

The civil works program involves a variety of projects now pending and already approved. It was confidently expected that by the end of the month there would be no unemployment in the county.

Lack of co-operation in the city by Aldermen was said to be holding up work opportunity in Cameron. Mayor Smith was doing all in his power to co-operate with the President in the renewed effort to stimulate employment.

Cameron doctors were co-operating in fine spirit with the administrator. Every man capable of work is now eligible for jobs whether on direct relief or normally unemployed.

CAMERON BAKERY GIVES CHALLENGE TO BREAD USERS

During the last six months Cameron's youngest and fastest growing institution has accomplished many undertakings, but today they extend one of the most outstanding challenges of all. They only ask for a fair trial of their "Cameron Maid" Bread. If during this trial, one does not find their bread as good as any sold in Cameron, they do not ask for your continued patronage. We glory their spunk. Give them a fair trial.

APPROVAL ASSURED THE COUNTY COURT

LEGIONAIRES ATTEND METHODIST SERVICE

Armistice Day services were held at the First Methodist Church Sunday morning, November 12th at the eleven o'clock hour by the pastor, Rev. Walter L. Cannan.

Members of Edwin Hardy Post No. 9, American Legion, were special guests, and marched in a body and occupied seats reserved by tiny flags, John Sapp, Commander of the Post, headed the line; with Dr. G. E. Sutton and W. R. Hoover as color bearers.

Special music had been arranged and services opened with the singing of "America," with Mrs. J. L. Clinton at the organ. Mr. Cannan delivered a patriotic address to a large congregation.

RIGHT OF WAY ON 44 FINALLY OBTAINED

After more than four years of effort with much delay, right of way has finally been secured over No. 44 from Elm Creek bridge to Burlington, it was announced by Secretary Cobb of the Chamber of Commerce. Mr. Cobb has worked with untiring effort and at great odds.

The right of way was made possible by payment to the Commissioners' Court this week by local citizens a sum of money to share the expense of the effort.

At last there seems no further delay. Engineers were expected here today to inspect deeds to the property and to make plans for setting fences back. At one time the highway Department appropriated \$50,000 to improve the highway, but delay here caused the commission to withdraw these funds for other Texas projects.

Appropriation has been made for work through Cameron and right of way was being taken.

Shrubs Are Wanted For Transplanting

Miss Bertha Fae Strange, home demonstration agent, was receiving co-operation on every hand Thursday from home owners in Cameron who are now pruning shrubs.

Cuttings are being taken to sections of the county and transplanted where needed. Miss Strange asks that all those who are now pruning shrubbery save the cuttings and call her at Phone 105 and she will arrange to have the cuttings taken up immediately.

Application for funds in the amount of \$187,000 for clearing stream beds in Milam county was made by the Commissioners' Court through J. P. Love, federal administrator for the Relief Commission at Austin.

It was said that this project, the major application thus far under the Civil Works Program, would be granted immediately.

Along with this application went one from Thordale for a gymnasium covering high school athletics and one from Rockdale to build an electrically lighted football field and for park improvements.

The funds to be allotted for clearing streams, it was said by sponsors, provide work for hundreds of men and result in substantial control of flood waters, eliminating enormous annual crop waste.

Already two city projects have been approved, one for improvements in the Wilson-Ledbetter Park, now under way, and one for sewer line extension.

GRAND JURY BEGINS SESSION ON MONDAY

The following list of Grand Jury empaneled for the November term of the District Court of Milam County, Texas:

Ray Burke, Cameron; E. Vogelsang, Cameron; Foreman; H. W. Massengale, Maysfield; J. A. Blasinez, Clarkson; John M. Weed, Rockdale; Rudolph Von Gonten, Bushdale; Hicks Garner, Tracy; Henry Graves, Lila; J. H. Scarborough, Buckholts; J. A. Mann, Yarrington; Ellis Coker, Ben Arnold; A. V. Wokaty, Cameron.

The following bailiffs were selected by the Grand Jury: R. S. Wiley, door bailiff; B. F. Bailey, S. S. Hickman, E. L. Miller, W. C. Colvin, George Gamble, Ben Maublin and Max Kennedy.

DALLAS WIFE SLAYER INDICTED FOR MURDER

DALLAS—A murder indictment was returned today against Toy G. Woolley, 28 year old auditor, charging him with shooting his wife at their home here November 5.

Trial of Woolley was set for December 4 in district court here.

The indictment alleged that Woolley "voluntarily with malice and aforethought," killed Dorothy Marie Woolley.

Woolley has claimed repeatedly that the shooting was accidental and occurred while he was cleaning a shotgun.

District Attorney Robert L. Hurt said he learned today that Woolley married Dorothy Joyner on August 26, two days before his divorce from a former wife, Mae Catrell, was recorded by the court.

Dorothy Marie Woolley was formerly Miss Dorothy Joyner of Cameron and was graduated from high school here in 1931.

MRS. LAURA CONE BURIED IN CAMERON SUNDAY

Universal sorrow was felt in Cameron when the news of the death of Mrs. Laura Cone, 67, was announced.

Mrs. Cone died at the home of her daughter, Mrs. Louie Turner Thursday evening November 9 at 7 o'clock. She had made her home in Cameron for many years until the past two months when she went to Burnett to be with her aged mother, and was taken ill and was brought back to Cameron and lived only a few days.

Mrs. Cone was a member of the (See MRS. CONE on page 4)

When NRA Administrator, General Johnson, Visited Texas

Here is General Hugh S. Johnson, national recovery administrator, pictured as he arrived in Fort Worth after a jaunt through the Middle West to "sell" NRA to the country. Pictured, from left to right, are Edgar Kobak of New York, president of the Advertising Federation of America, who attended the Tenth district AFA convention in Fort Worth; Miss Frances M. Robinson, General Johnson's secretary; Edward F. McGrady, Assistant Secretary of Labor; General Johnson and Amon G. Carter, publisher of the Fort Worth Star-Telegram.

SHRUB PLANTING IS BEGUN BY WOMEN

Native shrubs for use in yard improvement are being studied with enthusiasm by home demonstration club women in Milam county this fall.

Many of these native shrubs may be transplanted from the woods at small cost, some of which are the Yaupon, red bud, sumac, Spanish mulberry, coral berry, wild plum, lantana and dog wood. The clubs are arranging for trips to the woods of their own and adjoining counties to observe the condition of such plants and shrubs at this season and to learn to identify the desired ones when the time comes for transplanting them.

December has been appointed a month for special effort in the improvement not only of private yards but the grounds around community buildings. The vitex, privet, tamarix, rose, Japanese quince and bridal wreath rooted in the cutting beds made last spring will be transplanted to permanent places in the yards of 23 special yard demonstrators.

Plans for 14 of the 23 pattern yards have been made, and the enrollment for these special demonstrations consists of: Gause Club, Mrs. B. J. Kilpatrick; Duncan Club, Mrs. Luke Modestette; Briary, Mrs. Rex Mitchell; Curry, Mrs. Ed Tindall; Corinth, Mrs. A. W. Zajicek; Jones Prairie, Mrs. W. Smith; Bryant Station, Mrs. Chas. Liverly; Ad Hall, Mrs. D. K. Hall; Davilla, Mrs. Wilson Burns; Bethlehem, Mrs. Floyd Horton; San Gabriel, Hanover and Liberty, Mrs. N. A. Ashley. Demonstrators for the Friendship, San Gabriel and Clarkson Clubs have not been determined.

The Girls 4-H Clubs enrolling for yard improvement consists of: Laurie Hargood, Gause; Liddia Schroder, Sharp; Lorene Kuzel, Corinth; Gladys Jewell Storey, Marlow; Laurie Server, Davilla; Ollie Mae Lands, Friendship; Bonnie Belle Brooks, Milano; Helen Tarwater, Briary; Laurie Sue Robinson, Minerva.

Presiding Elder To Preach Here Sunday

Dr. E. L. Ingram of Marlin presiding elder for this District will preach at the First Methodist Church Sunday at 11, and will hold the first quarterly conference at 2:30 in the afternoon, according to announcements by the local pastor the Rev. Walter L. Cannon. Rev. Cannon will preach at the evening hour and at the conclusion of the sermon the Board of Stewards will be publicly installed.

Galveston County Super-Farmers for 1933

Pictured above are Mr. and Mrs. T. C. Scruggs, combination poultry and dairy farmers, who have been adjudged winners in the 1933 Galveston County super-farmer contest. They are recipients of the annual award presented in this contest by the Galveston Daily News. Farmers and farmers' wives all over the county competed.

Woman Found Dead

Here is the woman, found dead and unclothed, except for a pair of silk hose, a hemp cord around her neck, on a ranch near Van Horn, Texas. The picture was made from a photo taken after death. She has not yet been identified, although several California people believe she came from the West Coast.

Miss Katherine McIntosh, student at S. M. U. was home for the week end for a visit with her parents, Mr. and Mrs. R. H. McIntosh. She was accompanied by Misses Mary Alice Pierce of Arkansas and Elizabeth Harrison of Dallas, both of whom are students in S. M. U. While here Mrs. McIntosh gave a buffet dinner for three couples. These young ladies are Chi-Omega sisters to Miss Katherine.

EDUCATION BOARD IN MEETING NOVEMBER 6

The County Board of Education held its regular meeting in the office of the County Superintendent at 10 o'clock, Monday, November 6, with all members present. T. A. Fisher, chairman presided over the meeting, and other members present were B. R. Thompson of Sharp, Paul Fuchs of Buckholts, F. B. Durnie of Curry and E. B. Phillips of Rockdale.

The chairman presented a protest to the board from San Gabriel trustees against the action taken by the county board in the October meeting requiring the bus to cover additional distance in the San Gabriel District. After hearing this report, it was ordered that action on the matter be postponed until further investigation could be made.

E. A. Camp, attorney of Rockdale for Oswald Olbrich and other citizens of Salty District requested that approximately 428 acres of the Salty District be detached and added to the

Thorndale Independent District. Hearing on the matter was set for November 16th at 3:30 o'clock.

G. W. Follis of Briary District was appointed trustee to succeed J. M. Hinson, whose resignation had been accepted by the board in October.

Lesser Newton and other trustees and citizens of the Milano community appeared before the board and presented the matter of establishment of Milano Grouped High School District as Milano Independent District.

The Milano Board was instructed to file with the secretary of the board a certified list of the legally qualified voters of the Milano District and a financial statement for the year 1932-33 and a copy of the financial budget for 1933-34 together with an order showing the meters and bounds of the proposed incorporation. This matter will be taken up for hearing at the next meeting of the board on the first Monday of December.

Cameron Parent-Teacher Association had an exceptionally interesting "Book and Child" program in the Ada Henderson library last Thursday with Miss Porter as director of operations, the large gathering of parents and teachers was assured of an entertaining half hour.

The characters in the playlet presented the ability of committees in the Grammar school and portrayer characters of well known children stories.

Business of the afternoon included report of the recent Halloween carnival which so creditably represented the ability of committees in charge. Miss Louise Langham, general chairman, had hearty co-operation of faculty, parents and students.

The hospitality committee served light refreshments at the close of the meeting.

The president of the Cameron Parent-Teacher Association will represent this body at the State Convention in Sherman.

Begin Taking Cardui Today If You Suffer Like This Lady Did

"WHEN I was a girl, I began taking Cardui," writes Mrs. Maggie Stanfield, of Crandall, Ga. "I was very irregular for twelve months. Nothing did me very much good until my mother began to give me this medicine. Then I got all right, stout and well."
"After I was married, I was in bad health. I began taking Cardui again. I was troubled with my back a lot. Was awfully restless. I could not sleep well. I just weighed 90 pounds when I began taking Cardui. I improved rapidly. Before long I weighed 126 pounds. I felt fine. I was able to do a good day's work."
Cardui is sold by druggists here.

Reading Fun In Store For Boys

World adventure thrills are in store for readers of the AMERICAN BOY—YOUTH'S COMPANION, according to word just received from the editor of youth's favorite magazine. From the Arctic to the jungles of Haiti, and from the plateau of Asia to the lion country of Africa, the editors have charted a course of excitement and fun in the 12 issues of 1934.

Several years ago, THE AMERICAN BOY introduced to its readers the popular, black-haired, Jimmie Rhodes, Army aviator. Those who followed his adventures through Brooks and Kelly Field, and with the 94th Pursuit on cross-country hops, target practice, and formation flying, will be delighted to learn that Jimmie Rhodes has returned to the magazine. The new series takes him to Haiti where a revolution is impending.

The AMERICAN BOY—YOUTH'S COMPANION, filled with the adventure every boy craves, with the information he needs, and the advice on hobbies and sports he is always seeking, is the ideal present for that son, cousin, nephew and chum. It's the kind of present that renews itself every month when the mailman lays a copy on the doorstep. Approved by teachers and educators, and endorsed by high schools of America, the magazine can solve your Christmas shopping difficulties.

The subscription price is \$2.00 for one year. Until January 1 you may take out a three year subscription for \$3.00, a saving of \$3.00 over the one-year rate for three years. After January 1, this three-year rate will be withdrawn. Mail your order direct to THE AMERICAN BOY—YOUTH'S COMPANION, 7430 Second Blvd., Detroit, Mich. Service on your subscriptions will start with the issue you specify.

CONTROLS THE ENZYMES

WHAT is an enzyme? It is a mysterious substance put by nature into all living cells—in your mouth—in your stomach—in malt, hops and yeast.

Enzymes are nature's digestive agents. They digest the food you eat. They digest malt, hops, and yeast into solution—which we know as beer. Louis Pasteur, the famous French scientist, probed the mysteries of enzymes seventy years ago, but he left no formula for their control.

When enzymes are uncontrolled, they run wild—and yield beer that is rank and indigestible.

SCHLITZ has evolved a secret enzyme control that encourages the enzymatic action to exactly the correct point.

Thus does SCHLITZ effect complete fermentation at the brewery in Milwaukee—not in your stomach.

That is the answer to SCHLITZ full-bodied flavor, to its brilliance, to its healthfulness—for SCHLITZ is a predigested food.

It is never green—never turbid—never flat. It is mildly exhilarating. It flushes and tones the system properly—and at bedtime it induces sound, restful sleep. It is good and good for you. The Brown Bottle protects its purity from the brewery to your glass. Try it today! You'll like it.

By the case or in the attractive SCHLITZ Handy Six.

MRS. CONE

(Continued from page 1)

First Baptist church, Cameron, a member of the T. E. L. Sunday School class and active member of the Woodman Circle and was a woman of high Christian graces and much loved by all who knew her.

The funeral services were held at the Baptist Church Friday afternoon at 4 o'clock by Rev. N. D. Timmerman, assisted by Rev. O. C. Acree, pastor of the First Presbyterian church, Cameron. The body was laid away in Oak Hill cemetery by the side of her late husband, J. D. Cone, who died in 1925.

She is survived by four daughters, Mrs. Ed Cotham of San Antonio, Mrs. Ashby of Houston, Mrs. John Thomas of Gause, Mrs. Louie Turner of Cameron, one son, Geo. Cone of Huntsville, a sister, Mrs. Hester of Dallas, all of whom were present at the funeral.

Paul bearers were five nephews: G. E. Hester, L. W. and Arnette Dorbandt, Scott Edmonds and E. J. Avera.

Beautiful floral offerings covered the newly made grave, coming from friends and relatives from over the state.

Green Bros., funeral directors had charge of the remains, and conducted the funeral arrangements.

COLORED HIGH DEFEATS CALVERT IN CAMERON

Cameron Colored High School maintained its perfect record by defeating the Calvert Colored High Eleven by a score of 48-0, before about 2,000 home coming fans. It was Cameron High's second victory in accord with as many scoreless ties. The Bulldogs have not been scored on this season.

H. J. Pendleton, Cameron High full back, and R. A. Sanders, Q. B., are tied in scoring honors, making a total of 14 points each. Pendleton's scores were results of a 25 yard dash around his own right end and a 35 yard run in the last quarter when he intercepted one of Calvert's long passes, while Sanders were results of a terrific off tackle smashes. Captain Eunice Daniels, R. T. of Cameron High, was very successful in changing from R. T. to R. End, after breaking up several punts he turned in a remarkable offensive

Where Four Died When Cars Crashed Near Ballinger

Here is the wreckage of a truck and a light roadster, mute evidence of a terrific crash which resulted in four deaths. Millard King and C. T. Matthews of San Angelo were killed instantly when they were pinned under the wreckage of their car, a roadster. O. C. Abernathy, driver of the truck, met death when he was thrown 20 yards into a ditch, and his companion, John Pearson, died four hours later. Both were from Sterling City. The crash occurred six miles west of Ballinger, Texas.

A political feud of long standing in the Lower Rio Grande valley of Texas has reached newspaper headlines again when two Mexicans have allegedly confessed to the killing of Claude Kelley, son-in-law of Ed Couch, prominent county judge of Hidalgo county. The Mexicans, Mateo Cuellar and Julian Ybarra, are alleged to have admitted that they thought they were killing Judge Couch, since Kelley was sleeping in Couch's room at the time of the slaying in 1929. Others held in connection with the slaying are Cam Hill (former county held in connection with the slaying are Cam Hill, former county treasurer of Hidalgo county, now of El Paso, and George Beck,

game by rec. a 10 yard and racing 15 yards for a touchdown. J. F. Prater, the right end for Cameron, was very outstanding in his defense playing also by making the Bulldogs last touchdown when he received a long pass in the last few minutes to play.

Brilliant performances were turned in by M. Thomas, Q. Bowser, C. Bowser, J. Bowser, F. Griffin, Cunningham, Brown, J. Bracey, M. Malone, Beals and Pool.

The Calvert team was outclassed throughout. For only one quarter, and that was the first, did the Calvert High show defensive strength.

Cameron School officials, coaches and members of Cameron High football team, wish to thank the

many friends, both in and out of town, for their cooperation in making the first Colored night game a big success.

open flame heaters so high that the flame leaps over the top. This causes waste and disagreeable, unhealthy fumes. Bathroom heaters should be turned down as soon as comfortable temperature is obtained if such heaters are left on continuously.

People should not leave gas heaters burning while they go shopping or leave the house in the evening. By closing doors and windows, the rooms will retain most of their warmth. Any open fire is a fire hazard when not guarded.

Instead of opening the doors and windows to reduce temperature, heaters should be turned down. A wall thermometer will help to keep heaters regulated to comfortable temperature. Sweating of walls and windows can be reduced by opening a window slightly from the top to give air circulation, or by connecting the heater to a flue.

PRICES . . . up and going up
Prices are going up. That is certain. They are already up, so far as the ordinary necessities of life are concerned.

A good thing for producers of commodities. Eventually, in the natural course of things, a good thing for consumers, since better prices for producers will mean better prices for labor. But wages and salaries are lagging far behind the rise in prices. Everybody must look forward to a long period of hardship.

I do not know why, but retail prices in country towns have gone up much more than in the big cities, at least in the East. Bread that used to sell for 6 cents a loaf everywhere is now eight cents in New York and eleven cents in Berkshire County, Mass. Other food products are up in proportion.

If I knew the answer I would publish it. It seems to me that our Government has not moved far enough or fast enough with its public works program.

Gas should not be turned up in

EMPLOYERS ASKED TO AID IN WORK PLAN

All Employers of labor, whether in the cities or on the farms, are asked to cooperate with the Texas Civil Works Administration for their own protection to this extent—that if anyone whom they can use leaves their present occupation to go to Civil Works Program, that they notify this office to that effect, for the program includes only those who cannot find employment elsewhere.

It is estimated that at least 2000 people will be put to work over the county and the rate of pay will be based on 30 hours per week and not less than 35 cents per hour. This will mean in the neighborhood of \$21,000.00 per week as estimated pay roll.

ROCKDALE MAN DIES IN VALLEY JUNCTION CRASH

John E. Lucas, 47, a citizen of Rockdale for the past eight years, was killed and Sessions Hosea, 16, year old son of Mr. and Mrs. W. S. Hosea, received a broken leg last Thursday night when the truck they were driving ran into a freight train parked across the highway near Valley Junction.

Mr. Lucas was crushed about the hips and received internal injuries. He and young Hosea were carried to Hearse where they received first aid treatment and were sent to the railroad hospital at Palestine, where Lucas died at 8 a. m. Friday.

Crushed by Lumber

Mr. Lucas and Hosea were returning from East Texas with a truck load of lumber. When the crash occurred the lumber shifted forward, crushing the truck cab, and pinning both occupants in their seats. The truck was practically a total wreck.

Young Hosea is said to be making a rapid recovery at the hospital. Besides the broken leg he received painful cuts about the face, one ear being almost completely severed. He is a 1932 graduate of the Rockdale high school, and had been employed by Lucas for some time.

Planned New Residence

Mr. Lucas, with his wife and brother, A. L. Lucas, came to Rockdale from Boham eight years ago, and had since been engaged in the ginning and plumbing business here. He had prospered in the business, and was planning the erection of a new and modern home; in fact, the load of lumber which crushed him was a part of the building material he was assembling for the residence.

He is survived by his wife and one child, a little six year old girl, Ura Joy, two brothers and one half brother, three sisters and one half sister. He was a native of Texas, having been born in Freestone county.

How Cardui Helps Women

"Mal-nutrition" means that your body is not getting enough to keep it up, so that what it has to do is not done well. You may not be eating enough to keep up the work of the body, or there may be something wrong that keeps you from getting full value from the food you eat.

Because of "mal-nutrition," some women have aches and pains every month. Such pains should not be neglected.

Take Cardui to give you a better appetite, to give you more strength from the food you eat—to build up and increase your feeling of well-being. Aches and pains go away as you build up with the help of Cardui.

Why Use A Bladder Laxative?

To drive out impurities and excess acids that cause irritation which results in getting up nights, frequent desire, burning, leg pains or backache. BU-KETS, the bladder laxative works pleasantly on the bladder as castor oil on the bowels. Get a 25 cent box from your druggist. After four days if not relieved go back and get your money. You will feel better after this cleansing and you get your regular sleep. New Cameron Drug Co. say BU-KETS is a best seller.

WILLARD THE WIZZARD COMING MONDAY NIGHT

Much favorable comment is being heard on the streets of Cameron since it has become generally known that Harry Willard, who bears the distinction of being America's premier magician is going to show here for three nights, commencing Monday night, November 20 in his big bent theatre.

A group of business and professional men were overheard talking on the streets yesterday regarding Mr. Willard's engagement and one of them said: "Why I remember very well when this same young man spent several years of his youth right here in Cameron going to school under Prof. Sims and now the old adage of 'a home boy makes good' is certainly true in this case, for now this same boy has become famous in his chosen profession."

It is said that many new mysteries and illusions have been added to his entertainments, notably the one in which local welders weld him in a steel tank in full view of the audience, from which Mr. Willard makes his escape.

Miss Maggie Lou Shelton, daughter of Mrs. Lettie Sheldon and niece of Mr. and Mrs. J. T. Howard, left Saturday, November 11 for an indefinite stay with her uncle, George D. Batey of San Francisco, California formerly of Milam county. Miss Shelton was a member of the Senior Class of Yee High School of 1933.

Tornado Is Most Frequent Disaster; Causes Heavy Loss of Lives

What type of disaster occurs most frequently in the United States?

This question is answered from the relief annals of the American Red Cross, which show over a period of years that the tornado, or cyclone as it is called in some sections, is the most frequent and claims a heavy toll of life. It swoops almost without warning, and in the terrific whirlpool of its fierce winds it destroys all in its path.

The Red Cross gave relief in 44 tornadoes in eighteen states last year. The tornadoes killed 326 persons, injured 2,755 and the Red Cross gave aid to 21,738 who were homeless, injured or otherwise victims of the storms.

Prepared to Save Lives

One of the most valuable services given to the American public by the Red Cross is through its Life Saving and First Aid courses. Virtually all of the life guards at beaches and pools in the nation are Red Cross life savers. Nearly every industry in America supports the First Aid work of the Red Cross because it annually saves lives of thousands of injured persons. These courses are taught by Red Cross experts in both lines. Last year 66,354 certificates were issued to persons completing the First Aid course and 78,795 certificates for completing Life Saving instruction.

Toll of the Earthquake

When a severe earthquake killed 95 persons; injured 4,911 and destroyed several thousand homes in Southern California last March, the Red Cross was first upon the ground with emergency relief. It required more than three months for the Red Cross to restore the needy to a self-sustaining basis. The organization expended a relief fund of \$411,000.

QUICKER, BETTER RELIEF from use of Black-Draught

"I have taken Black-Draught, off and on when needed, for twenty-five years, for it is easy to take," writes Mr. George T. Wharton, of Petersburg, Va. "I take it for constipation and when I have that dull, tired feeling. I take it for colds and other complaints where a good laxative is needed, and I believe it gives me quicker and better relief than any other medicine I know. It certainly has been a help to me."

P. S.—If you have CHILDREN, give them the new, pleasant-tasting SYRUP of Theford's Black-Draught.

When New South Texas Concrete Highway Was Opened

A gala occasion in South Texas was the official opening November 3 of the new concrete highway between Seguin and San Antonio, on Federal Highway 90. Pictured above is the group of celebrities from various parts of South Texas and Mexico who gathered for the ceremony. Gib Gilchrist, State Highway engineer, cut the ribbon before a great throng to officially open the new road.

Bruce Barton Writes of "The Master Executive"

Supplying a week-to-week inspiration for the heavy-burdened who will find every human paralleled in the experiences of "The Man Nobody Knows."

THE GREATEST TRIBUTE

A few minutes later Jesus returned to the garden to find the disciples sleeping. Even so short a vigil had proved too heavy for their feebleness. In the hour of his greatest need there was no help from them. Again he went away, his spirit torn with agony. He was young, thirty-three; he did not want to die. He cried out to God that the cup might pass from his lips; that he might have time to sweep away the charges of blasphemy and evil which his enemies had heaped upon him. So he prayed, and coming back, found them again asleep.

This time he did not disturb them. The high tide of his revolt had subsided; the courage which had never deserted him throughout the three years cleared his soul, steadied his muscles.

"If it be not thy will that this cup pass from me," he prayed again, "then Father, thy will be done."

It was the victory chant after the battle. With the calm peace of the conqueror he could make ready for the end. He had not long to wait. The soldiers were already at the entrance of the garden. He waited until the armed men stumbled into his presence and then, rising, stood before them.

"Whom seek ye?" he demanded.

"they certainly kept their promise"

Thousands have Ended their Bowel Worries by taking this advice!

Can constipation actually be overcome? "Yes!" say medical men. "Yes!" say the many thousands who have followed their advice and know.

You are not likely to cure your constipation with salts, pills, tablets, or any of the habit-forming cathartics. But you can correct this condition by gentle regulation with a suitable liquid laxative.

THE LIQUID TEST:
This is the way many men and women have made their bowels as regular as clockwork in a very short time.

First: select a properly prepared liquid laxative. Second: take the dose you find suited to your system. Third: gradually reduce the dose until bowels are moving of their own accord.

Simple, isn't it? And it works! The right liquid laxative brings thorough bowel action without

using force. An approved liquid laxative (one which is most widely used for both adults and children) is syrup pepsin. Dr. Caldwell's Syrup Pepsin is a prescription, and is perfectly safe. Its laxative action is based on senna—a natural laxative. The bowels will not become dependent on this form of help, as in the case of mineral drugs.

Hospitals and doctors have always used liquid laxatives. The dose can be measured, and the action controlled. Pills and tablets containing drugs of violent action are hard on the bowels.

If there are children in your household, don't give them any form of laxative, but use a healthful, helpful preparation like syrup pepsin. Its very taste will tell you it is wholesome, and agreeable to the stomach. Delightful taste, and delightful action; there is no discomfort at the time, or after. Ask your druggist for Dr. Caldwell's Syrup Pepsin, all ready to take.
